**WHAT THE JURORS SAY:** “This home shows a nice relationship between the architecture and the interior design. It feels balanced, connected, warm and welcoming.”

**WORDS FROM THE WINNER:** “What an honor to be included amongst such a talented group of designers and architects. This project shines because of the incredible team—Chris Tippett of TSB Architecture, TCC Contractors, Sarah Stewart Consulting, Emily Followill Photography, and of course, the Ashley Gilbreath Interior Design team and wonderful homeowners.”
